Info

Herzig and Kienle are prominent composers, arrangers, and bandleaders in the US jazz scene since 1988. Between album productions, the two work with and for jazz greats such as Leni Stern, Rufus Reid, and have opened for Tower of Power, Sting, and many more. Monika Herzig is also the leader of Sheroes whose release is in the Top 20 of the US Radio Charts since 13 weeks peaking at #6 and the author of “Experiencing Chick Corea: A Listener’s Companion” and “David Baker - A Legacy in Music” as well as a Professor of Arts Administration at Indiana University.

The fusion style of *The Time Flies* combines funky grooves and rock influences, New Orleans second lines, open ballads, free explorations, even and odd meters, improvisation and composition, melodic and tasteful without undermining the natural beauty of the music. Rather the opposite, the music has room to breathe and unfold, to communicate in its most honest and pure format.
